Mission

Our mission is to ensure young people have access to affordable quality tools and resources necessary for STEM education and their success in STEM field.

Introduction

Projekt Inspire is a company specialized in educational consulting. Our focal point is on improving the state of STEM (Science, Technology, Engineering and Math) education through our distinct programs and projects.

One of our Engineering Sessions

RISING S.T.E.A.M STARS

Rising STEAM Stars refers to the program that provides an engaging platform for children aged 3 – 14 years to participate in fun and integrated hands-on STEAM (Science, Technology, Engineering, Arts & Mathematics) activities to boost creativity and innovation, thus inspiring children into STEM careers at a tender age.

RISING S.T.E.A.M STARS

WHO IS THIS FOR?

Children between the age of **3** and **14** years with keen interest in STEM

SNAPSHOT

We have been doing rising STEAM Stars program for five years now, in all those years we have been able to reach more than 10,000 students of pre primary and primary schools from both form of schools government and private with a record 130 sessions.
